

## Dining

### Meating Place

Reminiscent of a roadside burger shack, **Mel's Burger Bar** (*above*) features exposed brick walls, a black-and-white checkered floor, vintage artwork, wood ceiling beams and the comforting day-to-night aroma of burgers. Seven styles, including the Cadillac (bacon cheeseburger on a potato roll) and Nurse Betty (veggie burger on focaccia), plus frosty shakes, are menu highlights. Mel's Burger Bar, 2850 Broadway, btw W. 110th & W. 111th sts., 1.212.865.7100
